

## **WOODTREND LTD ENVIRONMENTAL POLICY STATEMENT**

Woodtrend is a privately owned limited company.

We have an enviable reputation for delivering what we promise and have a diverse portfolio of clients; please consult our website for more details about us and our range of clients.

### **Our environmental commitments**

We will demonstrate our commitment to the environment through:

- The promotion of sustainable development in our construction activities.
- Compliance with legal and other relevant requirements.
- The continual improvement of environmental performance throughout our operations and activities.
- Pollution prevention.

**Our environmental objectives:** To underpin these 4 commitments we have adopted the following:

- Promotion of sustainable development using reusable and recyclable products.
- Management and reduction of waste from our operations and activities.
- Adoption of energy and water efficiency best practice in our building design and our construction activities.
- The identification and management of environmental risks arising from incidents and business activities.
- Consideration of our neighbours, wildlife and the cityscape.
- Promotion of improved environmental performance by our contractors and suppliers
- Achievement and maintenance of an environmental management system conforming to ISO 14001

### **Environmental performance**

Our objectives will be delivered through a program of targets and will be managed and monitored by our management teams.

### **Who is this policy statement for?**

Copies of this policy statement will be made freely available to all those with an interest in the company. This statement will be promoted to employees, customers and representatives of the local communities in which we operate.

### **Woodtrend EUTR compliance document**

This document explains our obligations to meet the requirements of the EU timber regulation (EUTR) which came into force on 03<sup>rd</sup> March 2013
